

COMPANY BIO

Earth2Earth participates in the Women-Owned Small Business program established by the Small Business Administration.. We supply PPE products to the Health Care Industry, as well as Biodegradable Toothbrushes to Dentists and Environmentalists. Our products are made from renewable resources that include plant fiber, bamboo, sugar cane, unbleached, and recycled items. Products are developed by a U.S. based company and certified by the BPI to return to nature in a composting environment.
